

Mobile Mammography Van for Breast Cancer Screenings *Is Coming Your Way*

The custom-designed 40-foot van offers state-of-the-art 3D digital mammograms.

FRIDAY, JUNE 2 - 10:00 A.M. - 4:00 P.M.

Huntington Assembly of God - 1700 New York Avenue in Huntington Station
In cooperation with the Stony Brook University Cancer Center and the NAACP Huntington Branch

SENATOR MARIO R. MATTERA

Stony Brook Medicine

NAACP
HUNTINGTON, NY

**Mobile Mammography Van
for Breast Cancer Screenings
Is Coming Your Way**

Screenings are performed by NYS-registered radiologic technologists with advanced training in mammography. The van has a comfortable waiting area, private dressing room and a complete exam room.

Stony Brook Medicine's Department of Radiology is accredited by the American College of Radiology and the U.S. Food and Drug Administration. Mammography images are read by board certified radiologists at Stony Brook.

This project is supported with funds from Health Research, Inc. and the New York State Department of Health. This event is being held in cooperation with the NAACP Huntington Branch.

**Where: Huntington Assembly of God
1700 New York Avenue
Huntington Station**

**When: Friday, June 2, 2023
10:00 a.m. - 4:00 p.m.**

To schedule an appointment,
please call: (631) 638-4135.

On the day of your appointment:

- Please do not wear deodorant, perfume, powders, lotions or creams on the breast area.
- Please bring your photo ID and insurance card, if insured.

NOTE: Individuals who do not have health insurance will be processed through the Cancer Services Program of New York, if eligible.

Eligibility:

- Must be female and 40 years of age or older.
- No mammograms in the past year.
- Not pregnant or breastfeeding.
- No implants or breast issues, such as lump or nipple discharge.
- Never diagnosed with breast cancer.
- Office visit within the past year with a gynecologist, primary care physician or internist who is willing to accept the results of the screening.
